

solutions for

EDUCATIONAL INSTITUTIONS

Each year, AmazingMail sends hundreds of mailings on behalf of educational institutions like yours. While our service is ideal for traditional recruitment and student communication mailings, AmazingMail also offers some unique solutions to help you meet your goals.

- **Next Business Day Mailing**
- **No Minimum Orders**
- **Personalized Content**

SEND CAMPUS INFO

Automated Fulfillment

Automatically mail tailored program information when a visitor makes a request at your website.

Student IDs

Automatically print and mail pop-out ID cards on demand.

Custom Direct Mail Site

Ideal for multiple campuses or departments, a custom portal will ensure quality and consistency

Event Invitations

Boost attendance at school events and tours with tickets, scratch-offs or other interactive features.

With all of our solutions, you get AmazingMail's **next business day mailing service, no minimum orders** and the highest quality cards. Whether you prefer self service on our website, or our expert assistance to get your pieces in the mail, we're here to help!
